

'Aircraft Performance'

The General Aviation Joint Steering Committee (GAJSC) and your local FAA Safety Team (FAASTeam) are working together to present a monthly topic that improves Aviation Safety. June's topic is "Aircraft Performance". The GAJSC is working to improve General Aviation safety through data driven risk reduction efforts that focus on training, education, and outreach.

Directions: This event will be held in Akron-Canton Airport, 2nd floor conference room. Parking passes will be provided following the event. Note: Due to construction, access to the short term parking lot may be difficult.

Enter the main terminal building (Door 3) and the conference room is located on the second level. There is an Information Desk near Door 3 to assist with directions to the 2nd floor conference room.

For turn-by-turn directions please use internet software such as GoogleMaps, MapQuest, Rand McNally or similar.
